A copy of the Surf Sports Manual can be found [HERE](#) and the ILS Competition Manual can be found at www.ilsf.org.

Please be aware that all competitors in the tow events will need a handler. If a handler is not in position when the starter is ready, the competitor may be disqualified.

Age Determination and Restrictions

Members must be aged 10 years or older as at 30 September 2021 and be currently proficient in their relevant age award in order to be eligible to compete in individual events at the Championships.

U10 members may compete in U11 team events only (eg. Patient Tow, Line Throw, Medley Relay, Obstacle Relay & Brick Relay)

A competitor's age group is determined by their age as at midnight on 30th September 2021. For example, a member who is aged 13 years on the 30 September 2021 is eligible to compete in the U14 age group.

A member who is aged 14 years on 30 September 2021 is not eligible to compete in the U14 age category (and must compete in the U15 age category).

Members may compete in age groups individual and team events as detailed below:

- U11s may compete in U11 individual and team events only
- U12s may compete in U12 individual and U12/U13 team events only
- U13s may compete in U13 individual and U12/U13 team events only
- U14s may compete in U14 individual and U14/U15 team events only
- U15s may compete in U15 individual and U14/U15 team events only
- U17 may compete in U17 and or open individual events and U17/U19/Open team events only
- U19 may compete in U19 and or open individual events and U19/Open team events only
- Open may compete in Open individual and team events only
- Masters are as per normal 'Sport Competition Manual' rules

The only difference to the rules above is for the 'Line Throw' events. These are run in line with normal summer competition events and competitors are allowed to participate in their own age group plus the one above (doesn't include masters). For example, an U13 competitor may compete in the U13 and/or U14 line throw. Also an U15 competitor that has turned 15 and holds their bronze may also participate in the U17 line throw.

Note 1: No U13 or U14 age member is permitted to compete in U/15 age individual events.

Note 2: No U13 age member is permitted to compete in U/14/U15 age team events.

Note 3: No U15 age member is permitted to compete in any U17 or above individual or team events (line throw excluded).

Note 4: U17 athletes will only be permitted to enter 3 of the 3 available team events (U17/U19/Open). They may choose to do U17 and U19, U17 and Open or U19 and Open.

Note 5: Competitors stepping up age groups to make up a team cannot represent 100% of the members in that team. For example, two U11 athletes cannot step up to do the U12 line throw/patient tow together.

Where there are specific age group events for both male and female teams, there are to be **NO** mixed gender teams to be entered or allowed to compete.

These combined age groups i.e. U12/U13 and U14/U15 have been adopted in accordance with the 2019 National Championships. Surf Life Saving Queensland has received no advice on what the age groups will be for the 2022 Championships but if this changes SLSQ will endeavor to adopt any national changes as soon as practicable to allow teams to compete as they would at the national championships.

The point score awarded to each Champion Club, within each event's age category, will be 6 points for 1st place, down to 1 point for 6th place. If, when the event has concluded, there is a tied pointscore, the club with the most first places will be declared the winner.
