Photographers within the carnival area must have a visible SLSQ allocated season photographer's pass as well as their BlueCard.

#### **HEALTH & WELLBEING**

The welfare of all competitors and officials is of paramount importance and athletes or their Parent/guardian in the case of underage competitors should seek advice prior to the competition from a qualified professional for any health concerns if required.

Any competitor or official who suffers illness or injury prior to or at the event must seek a medical clearance before resuming their normal activities which includes training and competition.

In addition, SLS Sunshine Coast may, at its sole discretion, require a competitor and/or official to be assessed for physical and/or psychological fitness to participate in the competition. This ensures the safety and wellbeing of the athlete concerned and fellow competitors while also ensuring all parties and SLSQ are not placed at risk.

SLS Sunshine Coast will be supplying adequate shade tents at all marshalling areas for officials and competitors throughout the event. It is highly recommended that all athletes ensure they carry with them adequate apparel to assist with reduction of sunburn, along with recommended use of sunscreen throughout the day.

Water barrels will be available under the marshalling tents for officials, team managers and competitor use. These barrels are in place for all persons to use and fill up their own water bottles. Please note, no drinking cups will be supplied.

#### **BEHAVIOUR/MISCONDUCT**

Any misconduct while at the event will not be tolerated. This includes the days leading into the competition and any official social activities following the conclusion of the event. Offending members risk disciplinary action against both themselves and their Clubs.
