GENERAL

DRONES:

For the safety of competitors, officials and spectators SLSQ prohibits the use of drones or Unmanned Aerial Vehicles (UAV) at this event by members and/or public unless approved by SLSQ, 7 days prior to the event. The operator must supply an operations manual (including risk management plan), provide a copy of public liability insurance and comply with all Civil Aviation Safety Authority (CASA) requirements. SLSQ may utilise the use of our own drones to conduct aerial surveillance and monitor hazards.

PHOTOGRAPHY:

As a condition of entry, all competitors agree to have photos and video taken during the event used for promotional material by SLS Sunshine Coast.

Photographers within the carnival area must have a visible SLSQ allocated season photographer's pass as well as their BlueCard.

HEALTH & WELLBEING

The welfare of all competitors and officials is of paramount importance and athletes or their Parent/guardian in the case of underage competitors should seek advice prior to the competition from a qualified professional for any health concerns if required.

Any competitor or official who suffers illness or injury prior to or at the event must seek a medical clearance before resuming their normal activities which includes training and competition.

In addition, SLS Sunshine Coast may, at its sole discretion, require a competitor and/or official to be assessed for physical and/or psychological fitness to participate in the competition. This ensures the safety and wellbeing of the athlete concerned and fellow competitors while also ensuring all parties and SLSQ are not placed at risk.

SLS Sunshine Coast will be supplying adequate shade tents at all marshalling areas for officials and competitors throughout the event. It is highly recommended that all athletes ensure they carry with them adequate apparel to assist with reduction of sunburn, along with recommended use of sunscreen throughout the day.

Water barrels will be available under the marshalling tents for officials, team managers and competitor use. These barrels are in place for all persons to use and fill up their own water bottles. Please note, no drinking cups will be supplied.

BEHAVIOUR/MISCONDUCT

Any misconduct while at the event will not be tolerated. This includes the days leading into the competition and any official social activities following the conclusion of the event. Offending members risk disciplinary action against both themselves and their Clubs.

Please refer to the 36th Surf Sports Manual sections *2.27 SLSA Code of Behavior* and *2.28 Abuse/Inappropriate Behavior* and the *Policy 6.5 Member Protection Policy* (available online at the Members Portal).

CLUB TENTS and PARKING

All clubs are to respect the signs located on the beach in regards to tents on the dunes. Any club that fails to follow these directions will be eliminated from the event.

All clubs, competitors and officials are to read and obey the parking signs set up by the Sunshine Coast Regional Council and the Carnival Committee.

WARM UP/DOWN AREAS

Warm up arenas will be: Solid colour - (craft) Split colour - (swim)

All clubs must adhere to the wearing of the Pink High Vis competition vests at all times within the competition arena including during warm ups and warm downs. Failure to do so could see the offending club being suspended from competition.

Whilst every effort will be made to stick to the timetable, Team Managers should be aware that changes may be made throughout the day at the discretion of the Carnival Referee.
