

Skills Maintenance 2022/2023 Season Members HOW TO GUIDE

The dates and times for skills maintenance are listed below. The following provides course information on how to complete the process painlessly. The skills maintenance will follow the skills guides issued by SLSA for the current season.

Skills Maintenance Event No	Dry Session All Tuesday Night	Wet Session
1	13 th September	18 th September Sunday
2	4 th October	8 th October Saturday
3	18 th October	22 nd October Saturday
4	8 th November	13 th November Sunday
5	29 th November	3 rd December Saturday

Tuesday Dry Skills Sessions

- Timed to start at 6.15pm. Please arrive and queue up by 6.00pm. Everyone will be checked in, numbered, enrolment details checked and grouped into clusters. Sign on will cease at 7pm. All “locally based” members are asked to attend on Tuesday night to allow the weekend session to run more effectively as there with less assessors available to assist with the dry sessions.
- Location Mooloolaba SLSC
- Meeting Place:- Enter the surf club from the members access stairs on the beachfront leading to the grassed area and flag poles. The session will be held upstairs in the club. This is part of the licensed area, so we are required to comply with the licensed club’s dress standards for the session.

Weekend Wet and Dry Skills Sessions

- Timed to start at 8am. Please arrive by 7.45am. Everyone will be checked in, numbered, enrolment details checked and grouped into clusters. Sign on will cease at 9am.
- Location Mooloolaba SLSC
- Meeting Place:- Enter the surf club from the members access stairs on the beachfront leading to the grassed area and flag poles.

The amount of paperwork at sign on will be the same as last year. There is one sign on sheet for the following award holders:- Radio, Observers, SRC, First Aid, Bronze and ART. There is a separate sign on sheet for IRB crew and drivers.

CPR will be returning to using rescue breaths in accordance with the ARC guidelines for this year. Face shields and cleaning protocols as outlined by ARC will be used. We will have gloves, wipes, mask wash stations and hand sanitiser for use during the session.

2022/2023 Skills Maintenance requirements:

1. Membership renewed and financial

A requirement before you can proceed with any online modules.

Please renew your membership and process your fee via your SLSA Members Area, for the 22/23 season:

[CLICK here for link to SLSA Members Area](#)

Blue Card;

Ensure your Blue Card is current. This is now done online!

Blue Card holders are required to complete the CYRMS training when renewing.

Everyone should have completed CRYMS and CSA last year

How to renew your Blue Card online:

[CLICK here for HOW TO renew your Blue Card](#)

2. Complete the online theory components in your SLSA Members Area;

Please complete on line and your records on the assessor app will show if these components are properly completed.
