

MEMORANDUM

TO	All patrol team members
FROM	Operations Office
DATE	22/09/2023
SUBJECT	Complimentary parking for patrolling members – while patrolling. Park n Go Mooloolaba Carpark

We are pleased to advise that the Sunshine Coast Council have been very cooperative in recognising the need to assist our members with parking, while you provide patrolling services for our Community.

The below outlines how you can make use of the carparks which have been allocated to our Patrolling Members under concession at the "Brisbane Road" ParknGo Mooloolaba Carpark.

Step 1: **BOOK YOUR PARKING DAY VIA WILSON PARKING:**

The free parking concessions to the car park will be granted through Wilson Parking's 'Book a Bay' service. A promo code has been set up, which can be used when booking the free parking concession, as follows: **2023MSLSC**

You can use the Wilson Parking website (<https://bookabay.wilsonparking.com.au/>) and follow the relevant prompts to make the booking, including providing vehicle registration number at the time of each booking.

Step 2: **WHEN ACCESSING THE CARPARK:**

Enter via Smith Street and travel up the express ramp to park on Level 4 and above. This will keep parking available on lower floors for higher turnover parking and paying customers.

The Park N Go parking is available under the above arrangement on weekends and public holidays during patrol season only. Individual members are eligible to use the parking code only on the day of their patrol. This is in addition to the car parks already available in Club Lane using parking permits issued by your patrol captains on arrival to your patrol.

The above will be in addition to the carparks already available in Club Lane using parking permits issued by your Patrol Captains on arrival to your patrol.

There will be 20 carparks available for use at one time, and this is allocated on a daily basis (Saturday / Sunday / Public Holidays only). The usage terminates at midnight however, we ask that you consider your next patrolling members by not leaving your vehicle parked for a full day where possible.

The Council has provided this arrangement under strict conditions, and the number of parks available is limited. Any violations may lead to the termination of this agreement, so we kindly request that all members follow the proper procedures.

HOW TO BOOK YOUR PARKING ONLINE

STEP 1

Go to [Wilson Parking](#) and create an account

Click on 'Login' in the top right-hand corner of the page

If you already have an account, click 'Online Booking Login'

If you need to create an account, click 'Click here' in the pop-up
