After you enrol in a session

- Once you are enrolled, we can message you with any updates or advice related to the session if there are changes to start times etc. You may need to enrol in multiple awards (Bronze ART IRBC IRBD)
- We won't start wet sessions without having consent from the lifeguard to our set up and locations on the beach so a wet start before 7.30 is not practical
- On the day, after you have completed your bronze wet skills sets, the sign on sheets and information for the IRB session will be in the IRB room. Go to the IRB room to sign in and commence your IRB Driver or Crew as needed.

Ask for help before you attend

- When everyone is queuing up, there isn't time to provide one on one advice on what has gone wrong.
- Don't be a stranger. Ask the trainers around the club for advice or help before skills maintenance. Email Mark at cto@mooloolabaslsc.com.au if things are not working.
- For dry sessions, bring your mask. You will need to breathe into mannequins. Masks are easier than using the face shields.
- For wet sessions, bring goggles, hi viz pink rashie (not orange), wear a wet suit if you need.
- For IRB bring Club cap and shorts.

RWC Skills Maintenance will be arranged soon. Further details will be provided.
